Quality & Secure Living

This stunning apartment in Derby Place is highlighted by its effortless design and prime features, focusing on comfort, luxury and style. Designed by Fender Katsalidis Architects with an emphasis on quality and contemporary elegance.

Located on the third floor, featuring open plan living and large double-glazed windows which create a sense of space and connection to the outdoors. The west-facing aspect and CBD views, along with the indoor-outdoor balcony, are key elements that would attract those seeking stylish living in a great location.

The marble kitchen boasts top-line Gaggenau appliances (oven, dishwasher) integrated fridge, and soft-close drawers. Main bedroom incorporates floor to ceiling robes, ensuite & balcony. 2nd bedroom (BIRs), bathroom, euro laundry. Other features include great storage throughout, floor to ceiling sheer curtains.

Showcasing a suite of premium features from marble surfaces, oak flooring, ducted heating/cooling, video intercom, and brass designer tapware. Secure carpark for one and two storage cages.

Facilities in the building include concierge service, access to a library, executive kitchen, dining and sitting rooms which open to an expansive garden.

For optimum convenience, Cole's supermarket is below, and soon to be completed Kew Recreation Centre with various aquatic spaces and gyms. Close to parks and all of the cafés, restaurants, shopping and city-bound trams of vibrant High Street. The ultimate in luxury living moments from Kew Junction.
