City-style Convenience in Beachside Brighton

Capturing the essence of convenient Bayside living, this contemporary 2-bedroom, 2-bathroom apartment sits high above the strip with lifestyle ease. Shop, dine, see a movie or catch the train to the CBD - enjoy city-style living in blue chip Brighton with every amenity on your doorstep.

Occupying a premium west-facing position on the third level with lift access and basement parking for 2-cars or step straight off Bay Street into a private entry foyer. A spacious open plan design flows out to a sun-catching, full-length terrace balcony, while a wall of full-height sliders beautifully extends living and entertaining outdoors with al fresco style.

The prestige kitchen is fully appointed with sleek stone benchtops and quality Miele appliances including a gas cooktop and semi-integrated dishwasher. Extensive cabinetry ensures there is plenty of storage as well as concealed European laundry. A clever study nook is another highlight, tucked away for peace and privacy.

Both bedrooms feature mirrored built-in robes and terrace access, the main boasts his & hers robes and a deluxe, dual vanity en suite. The second, fully tiled bathroom flaunts a brilliant wet area with an indulgent bath and separate shower. Pendant lighting, wide-board oak flooring, mirrored accents and extensive glazing add another dimension to this security apartment. Also reverse cycle air conditioning, intercom entry and storage cage.

Live and entertain in high-style, lock-up and leave or watch your investment returns reach new heights within minutes of Brighton's best beaches and lifestyle attractions.
