Absolute Harbourfront Apartment In The Landmark Finger Wharf With Unobstructed Views + Parking

Panoramic 180-degree harbour views afford the sensation of living aboard a luxury yacht in this architecturally reimagined waterfront apartment in the coveted eastern wing of the city's iconic Wharf Apartments. Recreated from a shell with a glamorous New York feel, the one-bedroom apartment's fluid layout and quality finishes are enhanced by 3.3m high ceilings with exposed beams and original industrial steel trusses as a reminder of the building's past. Opening to a loggia-style balcony and featuring ducted air for year-round comfort, the perfectly private apartment's dramatic monochrome palette is offset by Italian flooring and walls of glass that frame the unobstructed water views and bring in the light. Home to Sydney's movers and shakers as well as some of the city's finest restaurants including China Doll, Otto and Manta, this celebrated cultural icon is one of Sydney's most celebrated lifestyle destinations on the edge of the CBD and features a five-star health club with access to a gym, pool and spa which residents can join.
