Lucky Number 7 Why? City Views, Balcony & Separate Bathroom...

Step inside for a mega surprise and see why this top floor corner apartment is envied by so many, for its street facing position & sweet private balcony setting, which will instantly let you know your hard-working day is all over, when you're admiring the city skylights at night.

A welcoming entrance hallway proceeds you through this totally private and spacious layout which highlights a large living room perfectly overseen by a neat kitchen, bedroom suite with a refreshing leafy outlook, and sparkling separate bathroom which lets you soak up some bubbles in your own deep bathtub.

Other highlights include: A just completed refreshed makeover which still retains the soul of this style apartment, split system heating/cooling, gas cooking, gas hot water service, off street parking and convenient location just a moment's walk away to the happening lifestyle and convenience on the coolest street in the world High Street.

You Will Love This Guaranteed...
