Ease & Convenience in Evergreen Essendon

Serene and secure, this spacious villa delivers low-maintenance comfort with impressive investment credentials mere metres from Keilor Road's city-bound trams, shopping options, and flourishing culinary scene.

Set quietly at the rear of a boutique block (one of just four), a well-worked plan enjoys generous proportions, with a pair of substantial, robe-enhanced bedrooms complemented by a tidy, modern bathroom with separate WC. A sizeable, relaxing living area soaks in northern sun, while an open meals space neighbours a function-minded kitchen with gas stove and stainless-steel oven. A wraparound backyard provides ample room for kids to play, while a wide alfresco offers a shaded retreat for sun-splashed social afternoons.

Presenting options to move in and enjoy, renovate down the line, or capitalise on a thriving rental market, highlights include ducted heating, reverse-cycle heating/cooling, a full-size laundry, lock-up garage, and zoning for Buckley Park College, Essendon North Primary, and St Therese's Primary. Positioned for enjoying Essendon's profusion of parks and celebrated café culture, the home sits steps from North Essendon Village and Buckley Park, while near Glenbervie Station, DFO, CityLink, and the blissful Maribyrnong.
