INDOOR-OUTDOOR SOPHISTICATION

Crisp modern lines and a cohesive indoor-outdoor flow form the basis for everyday enjoyment in this glorious, ground floor apartment, presenting the perfect lifestyle for those starting out, downsizing or investing. Striking a sophisticated tone, the apartment's streamlined spaces commence with a bright, open plan living, dining and kitchen domain that flows over glistening porcelain tiles and presents the appeal of stone benches, stainless steel appliances, Bosch dishwasher plus a microwave ledge. Ensuring there is space to entertain when friends drop around, the interior opens via sliding doors onto a splendid courtyard that combines paving with low-maintenance border gardens for easy-care outdoor enjoyment. Ensuring your accommodation requirements are easily met, the two bedrooms each boast the benefits of mirrored built-in-robies and are complemented by a stylish bathroom with toilet and discrete Euro laundry. Further enriched with the comforting additions of split system heating/air conditioning, video intercom entry plus a basement parking space where you can leave the car while you walk to Riversdale Golf Course or Jordanville Train Station. Superbly convenient to Essex Heights Primary, Ashwood High School, Deakin Uni, Mount Waverley Village, Woolworths Ashwood, walking trails and Monash Freeway.
