Chic Richmond Apartment

Step into unparalleled elegance with this brand new, double-storey one-bedroom garden apartment in Richmond, designed by the acclaimed Neil Architecture and featuring exceptional interior work by Molly Shelton and urban landscape architecture by Phillip Withers. This meticulously crafted residence is a true testament to contemporary design and sustainable living.

Key Features:

Design Excellence: Created by Neil Architecture, Phillip Withers and Molly Shelton, this apartment showcases open-plan living with an emphasis on seamless indoor-outdoor flow and a private, stunning vertical garden.

Contemporary Garden Apartment: Enjoy a sophisticated outdoor space with a courtyard, bench seating, built-in Weber barbecue, and a beer fridge perfect for entertaining.

Sustainability: Equipped with a closed-loop vertical garden system, solar hot water heating, and a modern cooktop for eco-friendly living.

Large Storage Design: Ample storage solutions designed to accommodate all your needs.

Communal Facilities: Bike racks, washing machine? are available for your convenience.

Lift Access: Easy and accessible living with lift access to all floors.

Additional Notes:

Private Outlook: Experience unparalleled tranquility with your own secluded view over a lush, designer vertical garden.

No Car Park: Perfect for urban living without the need for a car.

This residence has been crafted with every detail in mind, ensuring a lifestyle of comfort, luxury, and sustainability. Don't miss your chance to own this one-of-a-kind apartment in one of Richmond's most sought-after locations.

Currently rented for \$600 per week.
