Peacefully Positioned, Leafy Aspects

Positioned quietly at the rear of this stunning 1970's boutique block of just 8 units, this ground-floor apartment reveals generous proportions with plenty of natural light, whilst enjoying the leafy, private aspects. Brand new carpet enhances the appeal of the large living/dining domain, the modern kitchen featuring timber benches and stainless steel appliances including gas cooking and dishwasher. Two bedrooms with robes share a contemporary bathroom with large walk in shower and separate bath tub. Additional features include split system, wall panel heating, laundry facilities, off street car space and security entrance. This apartment offers a great Prahran lifestyle so close to public transport, Chapel Street shopping, cafes & restaurants and parks. Permit parking is also available (STCA).
