Rarely is such a stunning 1920's Art Deco apartment offered for rent. Be charmed the moment you walk through the door by this elegant and spacious two bedroom ground floor apartment, in a boutique block with its close proximity to the picturesque Blessington Gardens. Unique, not only for its historical significance but also for its period features and garden setting. A modern style which blends effortlessly with the heritage features of this period. Yet an interior reveals an original bathroom captured in time, a master bedroom with an adjoining balcony, a formal dining room or second bedroom with double glass doors leading to a lounge room with an ornamental fireplace. A separate kitchen comes with gas/electric facilities. Featuring beautifully polished timber floors, heating, communal laundry, and built in robes to both bedrooms. Only a short stroll to Jerry's Café, Acland Street with its delicious delights, beach, parks and public transport. An ideal location.
