House-like hideaway with ocean views

A chic Hamptons-style haven down to the last detail, this exclusive top floor apartment flows through oversized dual levels of luxury design. Facing sundrenched north with gorgeous ocean outlooks off the entertainers' balcony, also providing a spectacular rooftop terrace on title, custom kitchen and bathroom cabinetry and stunning Heritage oak floors. The master bedroom is elegantly oversized with dual robes and an ensuite, while the property's three additional bedrooms each open to their own private balcony. Only steps from restaurants and City Beach, this is lifestyle buying at its best.

- Family-friendly opportunity with none of the traditional upkeep
