115 SQM ON TITLE This stunning waterfront home embrace the sparkling waterways of the Rhodes Peninsula offering uninterrupted, never to be built out views in a breath taking setting. This is Meriton's final waterfront development at The Peninsula, and we've saved the finest until last, complete and ready to move in now. These recently renovated home feature functional enclosed waterfront balconies which serve as an extension of the already generous living areas and many bedrooms take in the stunning view through floor to ceiling glass windows. We Love:- King sized bedrooms with built in wardrobes.- European designer open plan kitchen.- Enormous Lounge/dining area with direct water views.- Direct access onto generous entertaining balconies.- Generous storage, security parking, lift access.- NBN Internet- Indoor swimming pool, gym, sauna and spa
