Grey Streets new development designed by PACE is set in the heart of St Kilda. Walking distance to the Beach, Fitzroy Streets bars, restaurants & cafes and a stones throw from the light rail. Boasting an open plan kitchen which includes gas cooktop / electric oven, integrated appliances including fridge/freezer and dishwasher, stone bench tops and high-quality fixtures, generous living area and a large balcony for entertaining. Two large double bedrooms with built-in robes, a modern central bathroom featuring European laundry facilities and a powder room and second toilet off the main hall. This brand new building includes a roof top terrace complete with a BBQ and stunning views of the city and bay on the seventh floor, secure basement storage and bike racks and one secure car space for one. Inspection will not disappoint.
