Inspect By Appointment!

Step in from the station, step up from the cafes and find a palm-fringed bay-view to make your life complete! Sunset-view and beachside of the iconic Hampton St retail precinct, this one bedroom apartment is packaged up with a smart single-bedroom floorplan, a sea-breeze balcony and a bay-view too!

Offering the complete lock-and-leave lifestyle package, boasting an abundance of natural light flowing through a wall of glass-sliders leading to a full-width balcony. This well-designed one bedroom apartment catches bay views at every turn ...even from the bedroom cleverly positioned behind a wide cavity-slider.

So well-appointed with an elite Miele appliance kitchen and a large designer bathroom, this high-set, high-quality home has discreet laundry area and smart storage including mirrored robes. Styled with stone benchtops, a sea-blue kitchen splashback, floor-to-ceiling bathroom tiles and streamlined blinds, this reverse-cycle air-conditioned home is optioned up with extras including video-intercom, security lift and garaging with storage.

This total package is completed by an unparalleled lifestyle location. Cafes, bars, restaurants and the station within steps, the CBD within 29 minutes door-to-door... and the bay within a short stroll! For more information about this bay-view apartment contact Scott Hamilton or Stefan Delyster.
