At the northern end of the 4th floor this light and bright studio apartment offers the epitome of easy living in North Fremantle. The views are simply stunning where you can watch the comings and goings of the ships in Fremantle Port, or the moods of the ocean, or simply just enjoy the northern light! Currently leased to a great tenant, this apartment is already set up for a savvy investor. It's also the perfect place for first home buyers, or those looking for a chic and simple, low maintenance city pad. Register your interest with the Agent - Nick Holt - for the first viewing opportunity this weekend.
