Wake up to views of the Coral Sea and the sound of the waves lapping on the rocks below. From the moment you step through the front door, the view opens up in front of you, through the open-plan lounge and dining area and floor-to-ceiling glass doors that open up to blend the indoor/outdoor living areas. The master bedroom features an ensuite shower and bath that both drink in the view. Enjoy a cold drink on the balcony and watch for whales and turtles (really!) or just enjoy the sunrise and sunset over the water. The resort-style complex features four swimming pools, gyms, lift access and undercover allocated parking with secure gated access. Just a two minute walk away is the ferry terminal, buses, car hire, supermarket, cafes and restaurants.
