Robert Corneteg

The High Life

The sights, the lights and the wide expansive views of the escarpment through to the stunning views of the Illawarra coastline await, when you step inside this large apartment on level 7. With a city edge vibe this apartment provides year-round warmth with its northerly aspect that captures abundant natural light from the living areas. Functional, large and stylish the kitchen also enjoys stunning views as its backdrop. Located ideally close to North Wollongong train station an easy access to the motorway for the Sydney commuter. With a secure undercover car space this property awaits your inspection.
