Friday, 30 August 2024

5/1094 Glen Huntly Road, Glen Huntly, VIC, 3163

Bedrooms: 2

Bathrooms: 2

Parkings: 1

Type: Apartment

Quality Interiors with Alfresco Space

Beyond a secure intercom entry, peacefully set right to the rear, discover the private sanctuary that is this very stylish courtyard apartment. Offering a low maintenance setting perfect for a lock & leave lifestyle, it boasts a location just moments from the heart of Glen Huntly's vibrant shopping strip.

Accessibility is key and quality is evident through the open plan layout which is centred around a generous living and dining zone flowing from the sophisticated kitchen appointed with Bosch cooking appliances and dishwasher plus an integrated fridge/freezer. Accented by a hex-stone splashback which is echoed in the two designer bathrooms (one ensuite), this very functional space also conceals a clever Euro laundry.

Extending the living area outdoors, the alfresco dining patio and mod grass garden wraps around to give the bedrooms (both with robes) very attractive leafy outlooks, while the comfort of split system heating/cooling rounds off the interiors.

Located on the ground floor and with lift access down to the secure basement car space and storage cage, the home will appeal to not only busy commuters but also lifestyle-focused downsizers and savvy investors.

Trams run right out front, the park is across the road, while the station, cafes & supermarket are the easiest stroll away.

We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
