This beautiful home features an open-plan design plus two balconies to enjoy sunny days outdoors. It is an ideal home for those who desire quality, comfort, and convenience all rolled into one. The apartment is close to Sir Joseph Banks Park, which offers a variety of activities like jogging, cycling, and picnicking. There are also local shops and cafes just 4-minutes away. Plus, just 9 minutes drive away from Eastgardens shopping centre. This home offers fantastic convenience for all your shopping needs. - Step into this open-plan apartment and you'll find yourself surrounded by natural sunlight beaming through large windows in the living room as well as floor-to-ceiling window and sliding doors in bedrooms. - A beautiful kitchen with an island bench, mirrored splashback, and tiled floors are perfect for any aspiring chef or home cook. - Enjoy two balconies - one spacious balcony connected to the living room, and another balcony privately connected to a bedroom - for your outdoor gathering or simply just chill out after a long day at work. - And best of all, there is a Study nook available for a home office or even extra storage for bulky items. - You will also love the luxurious bathroom with a shower and bathtub for ultimate relaxation. - Plus, enjoy the tiled flooring throughout the main areas or cozy up on the carpets in the bedrooms. - And if you need to cool down, just step into the ducted AC-ready property. - There's also an internal laundry with a dryer and two underground car spaces included! Don't miss out on this incredible opportunity - contact our friendly agent today for inspections. Private booking and open inspections are both welcome.
