Breathe Residences Coming Soon Step into a new era of urban living. Introducing Breathe: A Brand-New Collection of one-, two- and three-bedroom residences bringing a new way of living to Alderley, seamlessly fusing modern design with the tranquility of its green surroundings. Breathe Residences embodies modern Australian design with quality finishes including timber floorboards and oak vanities. Central to the buildings design philosophy are the 'lungs of the building,' a verdant garden courtyard which the building wraps around. This oasis serves as a focal point, embraced by walkways that offer moments of peace amongst the garden. Located just minutes 15 mins from the city, Breathe is connected to an excellent range of retail spaces, dining venues, community facilities, and public parks and green space in every direction. This is a completely exclusive off-market opportunity, providing you the chance to secure the home of your dreams today.
