Whether you are looking for a new home or an investment with fantastic returns, this property is a must see this weekend! This modern apartment, situated on the fifth floor of the complex with a westerly outlook, has been well maintained and is now looking for the next owner to take it on! A large functional kitchen is outfitted with modern appliances, Caesar Stone benchtops and plenty of storage, flowing through to the well appointed living room and out onto the covered balcony. Take full advantage of those views and breeze with floor-to-ceiling glass doors and protective barrier. The two bedrooms are spacious, with master suite inclusive of walk-in-robe and ensuite bathroom. Air conditioning and/or ceiling fans are present throughout the property, and the apartment is filled with light, courtesy of multiple high windows. The large family bathroom features plenty of storage, chrome fixtures and a large walk-in shower. This bathroom also features a European style laundry. The property is completed with a secure, covered carpark for one car and an intercom security system. Within walking distance to public transport, shops and parklands, it provides inner-city style living, right in the heart of Kedron! 506/38 Gallagher Terrace, Kedron won't be on the market for long, so ensure that it's on your open home schedule for this weekend. (Photos are not directly of this unit but of a similar unit in the same building)
