Parkings: 2

Type: Apartment

Elevated apartment with Park Views

If Location, Lifestyle and Livability are on your 'must have' list, then please make sure you prioritise an inspection of this oversized, high-end apartment in 'Manhattan'.

'Manhattan on the Park' is, understandably one of Canberra's most iconic inner-city developments. Overlooking historic Glebe Park with stunning treetop views across the park and toward Mt. Ainslie. The superb floor plan is not only generous, but practical in its design and livability.

You will appreciate the high ceilings and full height double-glazed windows. The stunning kitchen will connect the cook with their guests as you enjoy the open plan nature of the design. Generosity is the standout feature on offer, along with loads of storage and a lovely, treed outlook to enjoy all year round.

The location places you at the doorstep of everything the city has to offer, in particular, Glebe Park as your back yard or shopping and eating to your hearts content. This is a true opportunity to leave the car at home, walk or ride your bike to enjoy Lake Burley Griffin, the café and pub scene of Braddon, or just hang out at home to enjoy the pool with friends.

If you are looking to invest in a Blue-Chip location, the current tenancy runs until early 2025 with a wonderful tenant in place, or chose to occupy and make Manhattan your home.
