Positioned on the very top floor of the boutique 'Drummond Terrace' which has a perfect position with the city literally metres away, this light soaked, generous, and north-facing 2 bedroom apartment also showcases exceptional CBD vistas! Be immediately dazzled by the space and northern light of the expansive central main living zone, which is everything you could ever want from a central lounge and dining area. Tucked away from off this main area is the impressive modern kitchen, which has sleek benchtops and contemporary appliances including a stainless steel Bosch dishwasher plus an updated cooktop and oven. Both rear bedrooms with built-in robes are nestled at the back of the layout for peak privacy, and both enjoy great light, built-in robes, and city views. This property also boasts a tasteful bathroom with bath/shower combo and laundry facilities, reverse cycle heating and cooling, double glazed windows, and secure car space. Right on the cusp of the CBD, you're in close proximity to the University of Melbourne, RMIT University, Carlton Gardens ideal for weekend picnics, iconic Lygon Street with famed restaurants, shops, and Cinema Nova, Argyle Square, QV Melbourne, Melbourne Central, State Library of Victoria, trams, and Parliament Station. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
