Fully Furnished - 55m2 Residential Unit

Flexible options here, you can live in it, use it as a holiday home or rent as an investment or Airbnb.

This is an upper floor unit and is one of the larger units in the residential development.

The owners have been renting it as an Airbnb so it is fully furnished and has everything that someone needs to shift in and make their meals etc. The photos are representative of what is in the units (i.e., it is not virtual furniture).

Where else can you buy something this cheap, a short drive/close proximity to the beach, Marina and a short trip to the town centre?

Don't hesitate as this is great value and once it is gone, it is GONE.
