The properties at West Side Place have been brilliantly conceived, thoughtfully designed, and flawlessly executed. Embodying the prestige synonymous with one of the world's greatest cities is a premium material palette, spacious floor plan, and intelligent configuration benefitting from an east-facing orientation. Epitomised by striking geometrics and premium fixtures, each space is curated for the busy professional seeking a lifestyle synonymous with low-maintenance luxury. Engineered floorboards, stone kitchen, polished chrome fittings, and European appliances will coexist with premium building amenities including swimming pools, gymnasiums, cocktail and residents lounge, private dining with kitchen, cinema, virtual golf, library, function rooms and outdoor BBQ spaces. Comprehensive retail space along the ground floor adds to the urban amenity, with this exceptional location offering immediate access to Melbourne's extensive network of bars, cafes, restaurants, and public gardens.
