Rising high above Highett's streetscape and taking in far-reaching panoramas from its living areas and wrap-around terrace, this beautifully appointed penthouse apartment is your golden ticket to an incredibly luxurious - and extremely enviable - lock-up-and-go lifestyle. Situated on the very top floor of the coveted Vista Apartment complex, where the living is elevated even further thanks to securely gated entry and the inclusions of both an onsite gym and pool, this stunning 'crowning glory' is bound to exceed all expectations. With walls of ceiling-height glass allowing the views to take centre stage, the open plan living/dining zone and sophisticated Asko-equipped kitchen (induction cooktop) create a host's dream setting. There is even more invaluable entertaining space out on the terrace where you will never tire of the outlooks to William Fry Reserve and beyond. Built-in wardrobes and a chic & stylish ensuite are highlights of the master bedroom while a second equally impressive bathroom services the remainder of the home. With up to two more bedrooms (or one and a home office), the apartment is bound to appeal to a huge range of buyers. Wrapping up a fabulous package are ducted heating/cooling, a full laundry, pale hardwood floors (carpets in main bedrooms), double glazed windows, video intercom entry, lift access, a double garage with incredible storage. In a development with mostly owner-occupied residences, this one-owner home has been lovingly cared for and maintained. Ready for its next lucky custodian it is within a stroll of Southland, public transport, Highett's vibrant retail & dining hub and more.
