Welcome to ArcAn impressive collection of contemporary residences that form part of Discovery Point's Dress Circle apartments, with stunning views across extensive parklands and Botany Bay. Contemporary and unique, Arc joins its sister buildings Greenbank, Verge and Vine as part of Discovery Point's Dress Circle apartments. Designed to follow a gentle curve, Arc embraces the magnificent parklands and the formal heritage gardens of Discovery Point connecting you to your very own oasis. Modern living features: • Many apartments boasting views across the extensive parkland to the Cooks River and Botany Bay• All apartments have at least one balcony or courtyard to maximise natural light• Louvered screens for privacy and solar control • Swimming pool and gym facilities • Security parking and basement storage • Security intercomBoasting spacious and flexible areas, Arc has been brilliantly designed with your comfort, security and lifestyle in mind. Expansive living areas flow seamlessly through floor-to-ceiling glass doors onto enclosed balconies, many apartments enjoying vistas that extend across the vast parkland to the Cooks River and Botany Bay. Discover inspiring living spaces inside and out. Your apartment includes: • Spacious living areas with full height windows and balcony doors • Elevated 2.7 metre ceilings in living areas • Sleek designer kitchens and bathrooms • Stone bench tops and Smeg stainless steel appliances • Frameless shower screens • Built in wardrobes and storage • Split system air conditioning • Internet and Foxtel ready • Security intercomNatural tones and textures are a consistent design feature throughout each Arc residence. Elegant living areas enjoy colours that create an expansive feel. Bathrooms have frameless glass shower screens that promote space, complemented by beautiful stone vanity tops. The overall effect is a persuasive blend of natural and urban sophistication, creating a relaxing home with inspiring views. To help ensure a smarter, safer sustainable future, Arc has been designed to make an active, environmentally conscious contribution. Arc has access to water recycling facilities and individual 'smart meters' that allow residents to monitor their specific energy consumption. You can be confident that you are living in a sustainable building. Leave the car at home and hop on the train at Wolli Creek train station just across the road, or make use of the cycle paths that connect Arc to local cycle routes.
