## See The City & Feel The Sun...

You will just love this sixth-floor apartment with its spacious open plan living area decked out with timber flooring throughout, whilst looking over the view through sliding doors to an over-sized balcony making it the perfect spot to entertain while admiring the city skylights.

Located on the corner of this near new building you will be welcomed by a stylish kitchen with island benchtop, European laundry, and a generous bedroom with built in robes. Enjoy the feast of dining options & the 86-city tram route literally moments from your doorstep.

Other Highlights Include: Dishwasher, Intercom, basement car park with storage cage, split system, and also a communal terrace on the roof for that little bit of community engagement.

You Will Enjoy Living Here Everyday...
