A refreshing designer apartment with a timeless sense of elegance and wonderful communal amenities on level 6, this 2 bedroom residence perfectly meets the needs of the modern apartment dweller. The home enjoys access to a communal swimming pool, gymnasium, and a rooftop entertainers' garden to take your breath away. A crisp white kitchen with stone benches, stainless steel appliances, and plenty of gleaming cabinetry flows easily through the dining area to a living zone with a seamless connection to the home's large wrap-around balcony. Should you tire of your personal view, simply head upstairs where, on the rooftop, larger-scale entertaining can be handled by a communal BBQ area that is nothing short of spectacular. The master bedroom is superb with ensuite and built-in robes, whilst the second bedroom is conveniently adjacent to the central bathroom. Fully secure with intercom entry, basement parking, a storage cage, and elevator access, the home also features a European laundry and reverse cycle heating/cooling. Moments from all the shopping, cafes, eateries, and cinemas of Westfield Doncaster, this thriving location also offers the prospect of easy city commuting either by bus or the Eastern Freeway. Within the sought-after Doncaster Primary School and Doncaster secondary college zone.
