Light and design in a lifestyle hotspot

Focused on easy contemporary style in Victoria Park's award winning VSQ North Tower, the smart layout of this beautifully modernised one-bedroom plus study residence provides the ideal environment for low-care urban living. It showcases a fresh feel and has been well-designed to create a light-filled home of space and privacy from this highly accessible city-fringe position. This hotspot address is very well-located and within metres to East Village's dining and shopping hub, as well as being walking distance to Green Square train station and just a few minutes from the airport and the CBD.
