Inspections by Appointment, please email for a time. Quietly tucked away on the second floor with a westerly outlook to the park and lake, this 2 bedroom renovated apartment is the one to rush for. An open plan living brings the space together, the wide kitchen bench top opens to the lounge with a brekky bar, gas hobs and oven make it easy and a view to the central atrium has lots of palms and ferns. Both bedrooms have plenty of built-in robes and also enjoy the parkland outlook, easily catered for by the best bathroom in the group with a combined laundry. Easy care keeps coming with timber floors and the lounge which opens to the study is air conditioned has a gas point and cable TV connections. The sparkling pool is a real asset and your car is safe inside this secure group.
