Unlock the full potential of this two bedroom ground floor apartment and craft a home that reflects your personality, aspirations, and lifestyle. With a little creativity and vision, the generous proportions of this space offer limitless potential for customisation, allowing you to design the perfect sanctuary tailored to your unique style and preferences. Featuring a north-facing living room, a vintage kitchen with a meals area, two bedrooms complete with built-in robes, and a central bathroom, the allure of this apartment extends beyond its floorplan, with secure entry and undercover parking, to its prime Prahran location. Situated around the corner from Morning Market gourmet grocer and cafe, indulge in a stroll along boutique-lined High Street, savour the delights of upscale shopping and dining, and enjoy the convenience of the tram at the end of the street and Chapel Street's vibrant nightlife hospitality.
