Brilliant Locale for Envable Easy Living

Nestled within a boutique group just footsteps to Glen Huntly's vibrant retail & dining strip, this light-filled apartment is move-in-ready and offers an enviable lifestyle of supreme low maintenance.

Beautifully presented, the accommodation includes a spacious lounge and an open plan eat-in kitchen with stainless steel oven and stylish subway-tiled splashback. The bright, naturally lit bathroom has room for a washing machine, while both bedrooms are of generous proportions and include one with the convenience of built-in robes.

Split systems in the lounge and one of the bedrooms keep the interiors comfortable all year long – wrapping up a truly appealing lock & leave package is an off-street parking space.

Close to parks and Glen Huntly Primary School, this wonderfully carefree abode enjoys brilliant proximity to city-bound trams, Glen Huntly station and bus stops. It is also within minutes of Chadstone - The Fashion Capital, Monash University Caulfield campus, Caulfield Racecourse and Glen Eira College.

We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
