Metropolitan stands out. It is the essence of Melbourne. At home in the Paris end of our most famous boulevard, it has been crafted to give residents the iconic Melbourne lifestyle experience. It has been designed to create a point of difference amongst the classical symmetry of the existing streetscape, with bold, modern lines creating a dynamic form, emphasised by the irregular patterning of the stunning floor to ceiling windows. Gaze out your window, across the city skyline and it is immediately apparent that all manner of amenity is at your fingertips. An entire city for you to explore. At Metropolitan, the communal rooftop deck and dining room acts as a private sanctuary for residents to relax with friends and family and enjoy sweeping views across our stunning city. Inside the apartments, the contrasting black and white colour palette continues, creating a bold, modern look. It is offset by the warm tones of the floorboards and expansive floor-to-ceiling windows that allow natural light to fill the space. The kitchens at Metropolitan are sleek and minimalist, designed to maximise space and functionality. Integrated appliances provide supreme convenience, while the brilliant, reflective surface of the joinery is a beautiful counterpoint to the unique matt black tap ware and lighting. In the bathroom the matt black fixtures are dramatic accents against the pristine white wall tiles, culminating in a contemporary, considered design that is ideal for city life. This apartment block is situated only 2 minutes' walk to Chinatown, restaurants, cafes and groceries shops with close proximity to RMIT campus and the Bourke Street shopping precinct. There are also tram 86 & 96 tram stop right at the front door and it only takes 5-minute walk to Parliament Train Station.
