Perfectly located to offer the best of inner-city living, this beautiful, light-filled, north-facing stylish and well-appointed two-bedroom apartment would make the perfect first home or investment. As you step in you will be delighted by high-quality timber flooring, wide-reaching open-plan living and dining with stunning views not to mention the streamlined kitchen boasting high-quality Asko appliances and an oversized island bench. Relax in the inviting master bedroom with fabulous views, built-in robes and a luxe ensuite with a walk-in rain shower. A good-sized second bedroom with built-in robes as well as a second bathroom. Both bathrooms with attractive stone-topped vanities. In addition to the chic style throughout, other features include; concealed laundry, video intercom security, ducted heating and cooling, and secure basement parking. The complex offers the additional advantages of abundant bike storage as well as a sizeable communal terrace on level seven offering a large covered area complete with a BBQ kitchen. This first-class location places you around the corner from Collingwood station, it's a stroll to Smith Street cafes bars and restaurants, Victoria Street trams are a moment away, plus it is just minutes into the CBD.
