Brand new luxury in the heart of Elsternwick with breath-taking views across the Melbourne City Skyline and Bay. Expertly crafted and well appointed with every detail considered, available to occupy now and make your very own. An absolute must see, with a clear outlook that spans from St Kilda over the Bay to the City skyline, it will be difficult to draw your eyes away from the stunning outlook to bring yourself back inside this ever so luxurious home. This generous 3 bedroom, 3 bathroom apartment with fully fitted study nook, separate laundry room, free standing bathtub, butlers pantry complete with wine fridge really has it all. Excellent floor plan boasts luxurious master wing which is completely separate to the other bedrooms providing ultimate privacy. Master bedroom features walk-in robe with well thought out and practical storage options which leads through to a designer ensuite bathroom, with separate shower and stand alone curved bath, plus a double vanity with ample face height storage as well as multiple storage drawers located under the basins. Floor to ceiling sliding doors off the master bedroom lead to a sun drenched balcony which encapsulates views of the city to perfection. Second and third bedrooms also boast picturesque bay and city views. Second bedroom features designer ensuite bathroom plus study or reading nook. Third bedroom benefits from direct access out to north-west facing balcony via floor to ceiling sliding doors, flooding the room with glorious, natural light. The spacious terrace which cascades off the living and dining provides the perfect setting for alfresco entertaining to enjoy that stunning view! At the heart of this home you will find an enviable kitchen with design and proportions that are sure to impress! Sleek white kitchen cabinetry with integrated fridge & freezer, ample storage and large island bench with timber feature shelves. The kitchen also features highly desired butlers pantry, which includes an extra sink, cooktop, oven, dish washer, bar fridge and European Ilve appliances throughout. All the extras are on offer in this brand new apartment including video intercom, heating and cooling throughout, engineered floorboards, noise privacy, high ceilings and two secure car parks plus storage. The lucky residents of Elsternwick Village Apartments can make the most of the sensational rooftop terrace, with unbeatable views across the Bay and City from all angles. Escape to the very top floor and enjoy the use of in-built BBQs, soak up the sun or marvel at the stunning views. Or you may choose to relax inside the Residents Lounge with breathtaking city and bay views. Located on the 5th floor offering sweeping sunset vistas and the magical Melbourne city skyline at night, this tranquil North East facing lounge offers a wonderful space to sit inside or enjoy the expansive and sun filled terrace, with the added benefit of a kitchen and bathroom facilities. It's no secret Elsternwick has become one of Melbourne's most in-demand neighbourhoods. This lifestyle-centric locale certainly has a lot to love. A buzzing café and restaurant scene, thriving shopping hub and friendly atmosphere, in Elsternwick relaxed beachside living meets city sophistication.
