Designed by Pritzker Prize winner Renzo Piano, developed and built by world renowned Lendlease, located in Sydney CBD seaside Barangaroo, One Sydney Harbour is one of the most luxurious apartments in Australia. Today, you have the opportunity to own a masterpiece by Renzo Piano. If you believe a large space is worth the money, don't miss this apartment. With 2 bedrooms plus a study (could be 3rd bedroom), internal area 125 square meters, this brand new apartment will surely meet your expectations for better life. Walking downstairs to the beautiful park and charming seaside, soaking up the warm sunshine in winter and enjoying the cool sea breeze in summer? you have it all. The public transportation here is well developed, with trains, buses, and ferries. The Metro will open in August this year, which will bring huge appreciation potential to this area.
