Nestled on the top of Teneriffe Hill is the incredibly tightly held Hillside Terraces. A small block of only 15 where the apartments are large and Body Corps are low. Unit 9 boasts an elevated northerly aspect enjoying incredible natural light and cross flow breezes. In the morning you can enjoy Sun rises from the entertainer's front balcony and in the evening watch from the rear balcony as the Sun sets over the Brisbane CBD skyline. The living area is simply huge. Bedrooms are separated making sharing easy and the primary bedroom has an ensuite. With low Body Corporate levies, high rental returns and a large block of land split between a small number of owners this apartment ticks all the boxes for investors. This is the first sale in the complex for over 4 years so be quick to view one of Teneriffe's best held secrets.
