Stepping inside, you are greeted by a bright, breezy layout, where large windows flood each inviting space with natural light. Adding further appeal are crisply tiled floors, elegant neutrals and sophisticated design, complemented by quality appointments throughout.

Framing up a lush green aspect, the open-plan creates a welcoming hub you will love to escape to, where two sets of sliding glass doors seamlessly open the space to the outdoors. Enjoying a lovely indoor-outdoor flow, the open-plan extends to a semi-enclosed balcony, perfect for alfresco entertaining.

The stunning kitchen is another drawcard for keen entertainers, showcasing sleek monochrome design complemented by stone surfaces, quality stainless-steel appliances and a waterfall island breakfast bar lit by pendant lighting.

Also offering access to the balcony is the airy master, complete with ample built-in robes and spotless ensuite. Equally generous, the second robed bedroom with private balcony is serviced by the adjacent main bathroom, with a Euro laundry conveniently located in the hall.

Completing this very impressive package is split-system AC, lift access to the apartment, and secure parking for two cars. It's a short walk to the oval and there's also access to local shops and eateries, or the opportunity to get out on the water.
