Stylish Coastal Living - Twin Pines - Stunning Views!

An opportunity awaits to upgrade your lifestyle to the finest on offer in Forster. Perched on the ninth level of the coveted 'Twin Pines' complex, this three-bedroom epitomizes the concept of modern luxury. What's more, sweeping coastal vistas (270-degree views) mean the ocean and lake will be a constant companion in your new life.

Meticulously renovated with chevron-engineered timber flooring from wall to wall, perfectly offset by matt black feature walls. From the elegant light shades to the classy 'Matte Gunmetal' tapware, this is contemporary perfection.

The heartbeat of the home is the open plan kitchen, dining, and living area, where expansive glass doors and windows let the natural light and the coastal views flood in. The elegant kitchen is a gourmet masterpiece, with Caesar stone benchtops, matt black fingerprint-free cupboards, a built-in coffee machine, and a wine fridge.

Entertainers will love the easy flow out to the wraparound balcony, a sprawling area with panoramic views of the coastline encompassing Wallis Lake and Main Beach, Forster. Coffee in the morning, sundowners in the evening - any excuse to make use of this majestic area! There are three generous bedrooms, two of which enjoy sliding glass door access to the balcony. The master has a walk-in robe and an ensuite bathroom, which shares the spellbinding aesthetic of the main bathroom. Boasting Italian porcelain tiles, gunmetal tapware, a separate shower and bath plus a toilet and vanity. An internal European laundry compliments a long list of features.

Twin Pines is one of Forster's most sought-after apartment complexes, and it's easy to see why. Not only does the complex feature a lift, an inground swimming pool, and intercom, 902 comes with a double lock-up garage and a workspace. Immerse yourself in the beauty of your residence or venture outside and indulge in the lifestyle of our coastal community with the convenience of walking to cafes, beaches, and the lake.

The building has recently renovated the foyers, with fresh paint and new flooring on each level - a vibrant touch!
