## **RHODES BAY ABSOLUTE WATERFRONT - 2 bedroom + MPR apartment**

Rhodes Bay, the latest development in Rhodes, will be situated at the northernmost tip of Rhodes, right on the waterfront. It is the only new development on the foreshore of Rhodes. This project will spearhead the transformation of northern Rhodes, featuring state-of-the-art apartments, top-notch amenities, local shopping, and dining options.

Additionally, it will be conveniently located opposite the upcoming Rhodes Public School and the future Rhodes ferry wharf, both scheduled to open in the next few years.

Developed by an award-winning developer, Billbergia, who are renowned for transforming Rhodes, you can trust that the apartment's quality will be exceptional. Additionally, Billbergia will deliver outstanding amenities that exceed expectations.

This spacious two-bedroom apartment boasts an impressive internal area of 104 sqm, making it the largest of its kind. The expansive living area offers stunning river views, perfect for enjoying breathtaking sunsets every day. Designed for intergenerational living, the apartment features dual access, ensuring privacy for both bedrooms. All units in this development come with a generous 2.7-meter ceiling height throughout.

What makes this apartment even more unique is the ability to fully customize its finish. From a custom TV wall unit to a private EV charger in your designated parking space, the choice is entirely yours.
