Bedrooms: 2

Bathrooms: 2

Parkings: 1

Type: Apartment

Ground-Level Luxury Located for Lifestyle

A flawless synergy of contemporary design with luxurious finishes, this rare ground-level apartment is truly stunning. With a lifestyle location that befits a property of this calibre, the many attractions of Bay Street, such as cosmopolitan bars, restaurants and cafes, shops, gyms and yoga studios, the cinema, and city train, are conveniently located at your door.

Nestled on the north-western perimeter of the boutique Bianco development, this designer, two bedroom, two bathroom residence showcases an exceptionally generous indoor-outdoor layout. A spectacular Smeg kitchen, featuring a Terrazzo stone breakfast-bar, integrated appliances and custom cabinetry, is at the heart of a spacious living and dining domain, while an expansive, all-weather courtyard (retractable shade-awning) is perfect for entertaining in the afternoon sun.

The main bedroom suite encompasses a light-filled study niche, a dressing area lined with oak-profile robes, and a deluxe en suite bathroom. The second bedroom, flaunting a wall of built-in storage and glass-sliders to the courtyard, has exclusive use of the other hotel-style bathroom. Exquisitely detailed with sublime architectural curves, Terrazzo stone surfaces and floor tiles, elegant kit-kat feature tiles and fluted glass shower-screens. A European laundry, abundant storage, oak flooring, custom lighting, and bespoke joinery further enhance the experience.

Meticulously cared for by only one owner, this climate controlled property is ultra-secure and whisper quiet. It boasts a video intercom, and lift access to basement parking for one, and two storage cages. Granting the freedom to lock-up-and-leave without compromising on space and al fresco appeal with a low maintenance, landscaped garden (automated irrigation) to enjoy. This is Bayside living at its most refined.

For more information about this luxurious ground-level apartment please contact Halli Moore at Buxton Brighton on 0403 777 661.
