## **An Aspirational Purchase for Young Professionals**

Aspirational purchasers will be met with immediate lifestyle success as they buy into an area that places Scotchmans Creek, Oakleigh Recreation Centre and Chadstone SC within seconds of the door. Its discreet position and abundant amenity make it highly-desirable from both a home ownership and investment point of view.

The interior layout is contemporary and clean, offering turnkey suitability with its low-maintenance approach. The balance of light and space is elevated by a free flowing design that concludes along a north-facing terrace.

Floor plan features include a primary bedroom with BIR & ensuite, a secondary bedroom with BIR, a second bathroom, Euro laundry, engineered hardwood flooring, and a well-appointed kitchen with central serving island.

Living in Oakleigh, one of the east's most sought-after postcodes, also means enjoying immediate access to the retail and entertainment districts of Eaton Mall. The nearby M1 Freeway and Princes Highway promise quick and easy travel to Koornang Road, South Yarra, Caulfield, and the city.
