Positioned high on the hill within a secured complex, this one bedroom studio apartment is awaiting. Perfectly suited to first home buyers, downsizers, FIFO workers or investors! The views from this second level apartment are surprising – offering ever changing Fremantle Port views and ocean glimpse from your balcony and living space. This apartment offers a minimal industrial design, with floating cabinetry and stainless steel finishes. Breakfast bar seating offers a view from a different perspective. Renovated bathroom with floor to ceiling subway tiles. All the hard work has been completed! The apartment offers natural lighting with open living space divided by creatively placed built in cabinetry. The sea breeze flows throughout from the opened balcony which is overlooking landscaped gardens and breathtaking evening sunsets. The common areas of the complex are maintained to a high standard and offer gated and secure parking. Modern lift and laundry facilities as well as seating areas scattered throughout the grounds.
