Secure your place in the heart of Brighton's popular village location with a big apartment, high quality and a small scale group. Set beyond a striking architectural façade, just one door from the Martin St Village and one block from Gardenvale station, this prestige two bedroom apartment maximises its premier front first-floor position with an airy open-plan and a sun-filled balcony terrace with built in BBQ & fridge. Designed for lock-and-leave living or rent-and-forget investing, this spacious apartment is built to an uncompromising specification with a streamlined prestige appliance kitchen, a designer bathroom and large robe-fitted double bedrooms. Finished in hard-wearing good-looking style with wideboard Oak floors, this high-quality home stars sleek stone benchtops extending to the splashback for the kitchen, and eye-catching feature tiling for the bathroom. Appointed with individual climate control for every room, video-intercom entry to a security entry and lift access to basement garaging and storage, there's every extra a busy commuter, discerning downsizer or demanding tenant could want...including a boutique group position in a welcoming latte lifestyle location, surrounded by beautiful period homes within a 17 minute rail commute of the CBD.
