3 Bedroom 1 Bathroom Duplex, walking distance to the bluff point post office, doctors surgery, Deli and the new established Midwest fresh market and if you feel like a counter meal and a cold beer, your only walking distance to the local Wintersun hotel. This front facing duplex also has a well sized main bedroom with its own split system air conditioner, newly installed wooden patio to the back and a small, easy care garden and lawn area. This old style character home is a must see. Please take the time to go for a drive past the property to check out the street, suburb, shops and school if any. We recommend you do this prior to viewing the interior of the property.
