Directly adjacent to the waterway with gated access to the boardwalk from the front deck, the residence is an easy stroll to the beach, sailing club and Martha's Table restaurant, bar, grocer and cellar, while the prestigious gated complex offers a communal heated swimming pool, fully equipped gym, manicured gardens and 24 hour security. Inside, the airy open design sweeps seamlessly from the front door to the deck, accentuated by high ceilings and abundant natural light that enhance the living and dining zones.
