Commanding a prime position in the main harbour there is no need to settle for an inferior location with this 10m berth only 11 berths from the main security controlled entry. Complete with the convenience of protective fenders this is Martha Cove's most affordable 10m berth and with approximately 94 years of the lease to run your boat can have a new home for this summer. The 24 hour fuel dock, board walk café, Martha's Table, toilets & showers are all at your fingertips from this prime location. Power, water and an abundance of parking are all included. Please note the successful purchaser will have the first option to secure the sea pen currently in the berth.
