ATTENTION INVESTORS AND DEVELOPERS

Conveniently located in an elevated central location sits this five unit complex. Positioned only 600 meters from the Esplanade, pristine beaches, hotels and shops, the property sits on a 2,226m² (zoned high density) and should appeal to the savvy investor or developer. Boasting a combination of one and two bedroom units and offering excellent returns. This property is ideally suited to land bank for the future or would suit a multi residential development. This is a blue chip investment for the future at a very realistic asking price and represents a fantastic opportunity in the vibrant Hervey Bay market.
