Located at the easternmost end of Happy Valley, sits this parcel of land with fabulous aspects down through the prettiest small valley. Within it lay 3,284 sqm of General Residential land. One of the remaining vacant residential parcels of land in the valley, it is backed by forested Crown Land and Kalimna National Park. Beautiful, old towering gums and pines line the property with the bulk of the land cleared green pasture, upon which is the perfect site for your dream to come true. With undulating sides and magnificent views, the land is well protected, extremely private and only a 15 minute walk to the centre of Castlemaine. Town water & power are nearby to the property.
