CA10 Sec5 Glenlofty-Warrenmang Road, Warrenmang, Vic 3478

Area: 15 m2

Type: Lifestyle

Contact agent

Following the track in from the road the first definitive image is a tiny (3m x 3) ultra-Australian hut which contains an open fireplace, basin and seating, outside cooking facility plus attached water tank. The little hut sits above a spring-fed dam (one of 3). At the rear a creek borders this property and 20 acres of gently undulating Crown Land populated by mature trees and undergrowth. It would be hard to find a more appealing lifestyle block with such easy access. Located centrally to wine areas including Warrenmang and Moonambel. The property which consists of CA10 and CA11 SEC 5, Glenlofty is zoned FZ (farming) and currently used for sheep grazing. Please contact agent for further details.
